## **The Business Pioneers Forum at AAU opens Future Prospects**

The Continuing Education Center at Al Ain University of Science and Technology in its Abu Dhabi Campus, organized a motivational meeting entitled “The First Business Pioneers Forum” for the first time at the university.

The forum was presented by Mr. Hussam Hajaj, Vice President Talent Management and Leadership of Jumirah, who talked about planning a career path to reach the professional level that each person aspires to and the most important tools to build this path.

The forum was attended by Dr. Amer Qasem, AAU Vice President, Mr. Zaydoon Hatamleh Director of the Continuing Education Center, and Mr. Hazem Hussain, Training and Business Development Executive, along with the number of academic and administrative staff and AAU students.

The Vice President said that the main aim of Al Ain University of Science and Technology and the CEC is to consolidate the community engagement in all fields, enhance students' skills and

develop their abilities to achieve a bright future to be pioneers in their jobs and in the whole society.

For his part, Mr. Hazem Hussain welcomed the attendees and pointed out that the aim of organizing the First Business Pioneers Forum is to motivate students to plan their career path distinctly as this forum is considered as the practical guide to achieving a successful career. He also added that the CEC seeks to meet all the needs of the students and society by providing training courses in various fields.

At the end of the forum, the discussion was open, then Dr. Amer Qasem honored Mr. Hajaj in recognition of his efforts.
